STUDENT EXPERIENCE SURVEY

What is the SES? why should I fill it in?

The SES is St George's annual survey where all non-final year undergraduates get to say what is important to them, what should be improved, and what can be celebrated at St George's.

Students' feedback in previous years' SES led to:

- More active student engagement with university decision-making, such as the Student Advisors initiative and increasing Year Reps
- Better facilities such as the Curve Lecture Theatre and the Student Life Centre
- Increased study spaces on campus
- Increased access to the Library through extended opening hours
